

# **Brekio**

## **Privacy Policy**

This Privacy Policy regulates the way Brekio collects, maintains, uses, and discloses information obtained from users (each, a “User”) of the Brekio Website (the “Site”). This policy is applicable to the Site and all products and services offered by Brekio.

### **Personal Identification Information**

We may receive personal identification information from Users via various methods, such as when a User visits the Site, register, and in line with other activities, services, features or resources that are available on the Site. When registering, a User may be asked to submit his/her name, email address, phone number, mailing address. For any transaction, A User may have to submit credit card information. However, a User may visit the Site anonymously. We will obtain personal identification information from Users only when they deliberately submit such information to us. Users are always free to refuse to provide personal identification information; however, in such a situation, that they may be prevented from engaging in some specific Site related activities.

### **Web Browser Cookies**

The Platform may use “cookies” to improve the User experience. User’s web browser inserts cookies on their hard drive for the sake of record-keeping and sometimes to track information on them. The user may decide to set their web browser to reject cookies, or to inform them when cookies are being sent. If they do so, note that some aspects of the Platform may not function properly.

### **Non-Personal Identification Information**

We may acquire non-personal identification information concerning Users whenever they access or interact with the Site. Some non-personal identification information acquired include the browser name, the kind of computer and some general technical information on the Users' methods of connection to the Site, including the kind of operating system and the Internet service providers employed and other related information.

## **Sharing Information**

We do not rent or sell Users personal identification information to anyone. We may be sharing generic aggregated demographic information about visitors and users, but not connected to any personal identification information, with our business partners, trusted affiliates as well as advertisers for mainly the purposes stated above.

## **How We Use Collected Information**

We use collected information for the legitimate business purposes only. Brekio may collect and use Users personal information for the purposes stated below: to processing transactions

We may use the information Users submit about themselves when executing a transaction only to render service so as to ensure the execution of such transaction. We don't share, transmit or distribute the information we get to any third party unless to the degree necessary to render the service: to sending periodic emails

We may use the email address submitted to send User information and any updates concerning orders or our products and services. Also, it may be used to send feedback to any inquiry, question, and/or other requests: to login

We may use the information Users submit for any login.

## **Children's Privacy**

We do not in any way knowingly collect or solicit personal information from any person below the age of 18, or knowingly permit such a person to register. If we notice that we have collected personal information from any child under the relevant age without parental consent, we take steps to delete that information.

## **Modifications**

Brekio reserves the right to update or modify this privacy policy at any time based on sole discretion. When we do, we will post the updated or modified version on this page. We advise Users to constantly check this page for any modifications to stay updated on how we protect the

personal information we get. You accept that it is your sole responsibility to go through this privacy policy regularly and become aware of any modifications.

## **Links**

The Platform may regularly contain links to the sites of our partner networks, affiliates and advertisers. If you click on any link to any of these sites, remember that these sites have their own privacy policies (and even terms and conditions), and that we don't accept any form of responsibility or liability for these sites or their policies. Kindly check the policies of these sites before you submit any personal data to the sites.

## **Your Rights as a User of the Brekio Site**

You have the right to ask for access to the information that Brekio has about you. You can do this by contacting us. We will make sure to provide you with a copy of the data we process about you within 7 days. So as to comply with your request, we may need you to verify your identity. We will fulfil your request by sending your copy electronically, unless the request expressly specifies a different method.

## **How We Safeguard your Information**

We employ proper data collection, storage and processing methods and security measures to safeguard against unauthorized access, change, disclosure or damage of your personal information (which includes your username, password, transaction information), and any data stored and secured on the Site.

## **Children's Privacy**

We do not in any way knowingly collect or solicit personal information from any person below the age of 18, or knowingly permit such a person to register. If we notice that we have collected personal information from any child under the relevant age without parental consent, we take steps to delete that information.

## **Modifications**

Brekio reserves the right to update or modify this privacy policy at any time based on sole discretion. When we do, we will post the updated or modified version on this page. We advise Users to constantly check this page for any modifications to stay updated on how we protect the personal information we get. You accept that it is your sole responsibility to go through this privacy policy regularly and become aware of any modifications.
